			(NOT RENTING OUT) A lot of repairs are needed might just be a throw away or used for material	NA
Generators (3)			old and need to me serviced	
			12 gage cords (about 100+)	
			Blowers(70+)	
Hand truck 3				
Stakes 200+				
			Trailers(2) 12 foot Utility Trailer - Both are older but in working order. One has a new floor and tires, and the other needs some work done to the gate and floor.	
			2 hydraulic tables	
			Sewing Machine - I've had multiple people who know sewing machines offer to buy it. From what I'm told, it may not look like much, but it's a very high-quality older machine built to last, and they just don't make them like this anymore. Due for a professional cleaning after move.	
			Large table for Repairs	
			A lot of Repair Material - Almost a full roll of very good sideline and netting, both very expensive materials. Also tons of scrap material, straps, thread, needles, glue, and pretty much everything you'll need to handle repairs.

			https://bouncepartyrentals.com/ - The website alone has had thousands of hours of work put into building, improving, and optimizing it over the years. It has been very well SEO'd, has a ton of established backlinks, strong search-engine presence, and many positive customer reviews. Building that type of online presence from scratch can take years. The website is currently running ads that generate additional cash flow. A buyer could continue generating advertising income or remove the ads and focus on
